5. ADVANTAGES& DISADVANTGES

1. Zoho Books has an intuitive and easy to navigate interface making it accessible for users with varying levels of accounting knowledge.
2. Being a clinic, its typically more accessible and convenient for routine checkups

and non emergency medical care compared to hospitals.

3. One potential disadvantages of Zoho books is that it may not be as feature rich or customizable as some other accounting software options.

4. Unlike hospitals, clinics may not have the resources or capabilities to handle serious of the life threatening emergencies.

4. CONCLUSION
